- ◆ The party will last for 2 hours. With the exception of the NEW Old Fashioned Birthday party. It is 1½ hours.
- ◆ The party parents may arrive 15 minutes before the scheduled birthday so that they may meet the party host(ess) and greet their guests. **It is very important that the party ends on time in order to have ample time to set up for the next party.**

How many children may attend the birthday party?

- ◆ The maximum number of guests 15 for the Splish & Splash Party, Old Fashioned Party, and Crafty Cuisine Party and 20 guests for all other themes. If the guest count exceeds the amount included in the package, there is a charge of \$15.00 per person.

How do the RSVPs work?

- ◆ I will contact you the Monday prior to the parties that are booked for the coming weekend. Please make sure that your RSVP date allows you enough time to make those last minute calls to confirm any guests that do not respond by the date that you indicated. I will also confirm the beverage order at that time and any additional food items you may wish to order.

Does HAC allow non-members to throw a birthday party?

- ◆ Absolutely. Non-members can reserve a party and attend birthday parties here at HAC. Non-members pay a higher fee to have a birthday party at HAC and pay a higher rate for all activities that allow non-members to participate.

May the birthday party parents bring extra food or cake?

- ◆ We do not allow for outside food to be brought into the club, with the exception of the birthday cake. Extra food may be purchased at the time of confirmation with the Birthday and Events Manager. We attempt to accommodate children with allergies to the best of our capabilities.

What should the party family and/or guests bring?

- ◆ The birthday party parents should bring the birthday cake.
- ◆ The birthday boy or girl and all guests should come prepared with socks and shoes, even if it's a pool party! (This is crucial in the event of a thunderstorm during a pool party - children without proper attire may not be permitted to participate.)
- ◆ Although Hockessin Athletic Club provides skilled and highly capable lifeguards for each party, parents of pool party guests should come prepared to enter the water in case your child is in need. We understand the parental instinct to enter the water in the event your child needs you, but Hockessin Athletic Club will not be responsible for any items damaged upon your voluntary entry.

Can the party invite family and friends that do not have kids?
